

GSDS PAYMENT OPTIONS

2021-2022

Included in our enrollment packet is the schedule of fees for the 2021-2022 school year. The Day School bills monthly, one month in advance, from August through April with payments being due on the 20th of each month. Families are billed for nine months, four months for the first semester and five months for the second semester. We offer discount payment options as well. If you pay in full for the year, you will receive a 3% discount. If you pay by semester, you will receive a 1.5% discount.

You may pay by **check** (\$5 processing fee per month) or through our **ACH** automatic withdrawal program. We also offer and encourage parents to pay with a **credit or debit card**. A processing fee of 2% will be accessed per credit/debit card transaction. If you choose to pay through ACH or with a credit or debit card this year, whether you pay monthly, semesterly, or annually, an authorization form for Procure must be completed. Please see attached Tuition Express Parent Authorization Form.

Using our childcare management system, Procure, you will be able to log into the Tuition Express website (more information to come later) to pay online and access your monthly statements along with other information and the ability to change contact information.

Please complete below form and return or email back.
