**Good Shepherd Day School provides an early childhood education to children ages 20 months (young 2's) through 6 years (Kindergarten)**

**The school is open Monday through Friday from 7:30 am until 5:30 pm.**

Families are offered many flexible scheduling options to meet their needs. Students can attend school 2-5 days a week, depending on the age group, during the regular school year (August to May).

The Day School also offers Summer Camp for interested families for seven weeks during Summer break.

### Mission of Good Shepherd Day School

The mission of Good Shepherd Day School is to nurture the development of the whole child – intellectually, emotionally, socially, physically, and spiritually. We provide excellent early childhood education and an early Christian formation in a safe, healthy, and joyful environment. We are grounded in and guided by the love ethic of Jesus.

The educational curriculum offered at Good Shepherd Day School is child driven and learning center based. It is designed to meet each child where they are while also challenging each age group in developmentally appropriate ways so that children gain self-confidence and self-esteem. Children are encouraged to be imaginative, creative, respectful, self-sufficient, and expressive. Children also begin to understand what it means to be and have a friend.

The teaching staff at the Day School has extensive training in early childhood education and over 376 years of experience teaching young children. They are committed to providing best practices and the highest quality of early childhood education to all children.

Families are welcome to schedule a tour or request an application by calling (859) 255-9734 or emailing our administrator, Megan Ciekurs, at [administrator@goodshepherddayschool.org](mailto:administrator@goodshepherddayschool.org). Admission applications may be completed at any time for upcoming years and you will be placed on our wait list. Classrooms fill quickly so parents are encouraged to complete the application process as soon as possible.
